---

## ● Conferences

- ◆ SACVLC 2019 Technical Sponsorship (delayed to June 2020)
- DLT Dijiang Huang April 2019
- DLT Ashutosh Dutta (cancelled due to social movement)
- IEEE ComSoc talk at IEEE Chile Sur section to promote membership (cancelled due to social movement)

# Problems Encountered

---

- 2019 funds arrived late (were approved May 31<sup>st</sup>, 2019)
  - IEEE section slow on reimbursing funds
  - Lack of specific funds for student projects and competitions
  - Need links to HQ of relevant companies' chiefs to promote ComSoc support in local chapters
-

# Problems Solutions Plans

---

- Ask to wire 2020 funds earlier (hopefully March the latest)
  - Insist to local Section to increase reimbursement speed.
  - Propose the creation of specific project funding/competition (for the development of relevant and innovative solutions in Telecom to society or local communities)
  - Ask ComSoc to build a committee to provide support to reach execs from international telecom companies to help promote ComSoc among their local (Latin America) branches
-

# Next Year Work

---

## ● Distinguished lecturers

- ◆ Bring two DLTs, depending on availability, funding, coordination and schedule.

## ● Pending talk

- ◆ Organise a talk with Ashutosh Dutta, since he is Member at Large and will visit the region next year.

## ● Technical Sponsorship of local and regional conferences (located in Chile)

## ● Joint activities with IEEE Chile Centro-Norte and IEEE Chile Sur: Promote ComSoc membership together with specialized talks, specially student branches associated with Telecom academic programs

---
