

Chapter

IEEE ComSoc Latin America Region

Regional Chapter Chair Congress 2019

Salvador, Brazil

Roberto Carrasco
Guadalajara chapter chair
r.carrasco.alvarez@ieee.org

Work Done

- Lectures

- ◆ Distinguished lecture tour May 29, 30
- ◆ Dr. Sudhir Dixit
 - Location 1 CUCEI Universidad de Guadalajara
 - Around 15 attendees
 - Location 2 ITESO
 - Around 30 attendees

2019 Accomplishments

- Lecture Dr. Dixit
 - More contact with members
 - Better planning
 - A stronger relationship with Guadalajara section
-

Problems Encountered

- Relationship with member
 - ◆ Indifference
 - ◆ A non-effective communication channel with members
 - Low number of members
-

Problems Solutions Plans

- Improve the communication with the members
 - Better promotion of the chapter between the professional community
 - Plan more activities
-
- This congress will permit me to enrich the link with other chapters
-

Next Year Work

- Plan 1
 - ◆ At least two DL (April-May?) (October-November?)
 - Plan 2
 - ◆ Propose an event for members with the goal of strengthening the communication
 - Breakfast
 - Plan 3
 - ◆ Promotion of the chapter in universities and industry
-
