Engagement of Members

■ Academia

- We have established SBs at 5 universities
- Appointed SB counselors
- Most activities of SBs are in COMSOC areas
- **Future development:** establish COMSOC student chapters within SBs

■ Industry

- Got Ericsson to sponsor launch of Joint COMSOC/Computer Society Chapter
- Lobbying with major ICT companies to appoint employees to serve on EXCOM

Achievements ???

- Nurtured a **local conference** to an **international conference**, called **IEEE Int'l Conference on Adaptive Science & Technology (ICAST)** www.icast-conference.org with scheduled meetings:
 - 2012: Held in Ghana
 - 2013: Pretoria, South Africa
 - 2014: Covenant University near Lagos, Nigeria
- **Professional Mentoring:** 4 PhD candidates
- **Industry engagement:** 2x marketing seminars at Ericsson Ghana

Future Activities

- Co-sponsor of yearly ICAST international conference
- Distinguished Lecturer program:
 - **Suggestion:** Organize 3 separate meetings in 3 cities (Accra, Kumasi, Cape Coast) as our neighboring Chapters are “far” neighbors (South Africa & Nigeria)
- **WCET (Wir. Comms. Engg Certification)**
 - This could be motivational, but unless sponsored by employers participants may need some discounts.

Future organizational activity?

- **Create Joint Chapter Excom:**
 - Chair
 - Vice Chair
 - Technical Activities Coordinator
 - Treasurer/Secretary
 - Industry & Professional Bodies Liaison
 - Newsletter Editor

- **Launch the monthly research seminar series being planned in the two cities:**
 - Kumasi
 - Accra

What to Do ...

- **Create Facebook for Joint IEEE C016/C019 Chapter**
- **Create webpage for Joint IEEE C016/C019 Chapter**
- **Use download comsoc Ghana logo from www.comsoc.org**

The Challenges???

- We need to create Comsoc brand in Ghana, something which requires advertising in local media.

- How to get IEEE and COMSOC people resident outside Ghana to support our growth through e.g.
 - DLP
 - WCET
 - Visit from COMSOC global leaders

Please support
