

Macedonian ComSoc Chapter

Liljana Gavrilovska, Chair

RCCC meeting, Istanbul 2006

Where we are?

Macedonian ComSoc Chapter

- The largest chapter in Macedonian IEEE section
- Participated on many IEEE and national/international conferences
- Library with all ComSoc editions
- Receive support from ComSoc
 - Small library space – IEEE corner
 - Laptop
 - Books
 - Support some events, joint activities
 - To have future plans!

Organized activities in 2005/2006

- Dr. Petar Popovski, Aalborg University, Denmark:
“New class of algorithms in resolving batch conflicts in wireless communications”; 5.04.2005
- **Dr. Nim Cheung, IEEE ComSoc**;
“Towards the Era of Ubiquitous Networks”;
27.10.2005
- Ljupco Jorgusevski, TNO Information and Communication Technologies, Delft, Netherlands:
“State of the art in Radio Resource Management (RRM) in wireless communication networks”; - in cooperation with student branch - 4.12.2005
- Student project ; “ALEKSANDER”, to prepare students for participation in EU projects

RCCC meeting, Istanbul 2006

Forecoming activities

- Have invited **Prof. Abbar Jamalipour** as **DL** to give a talk:

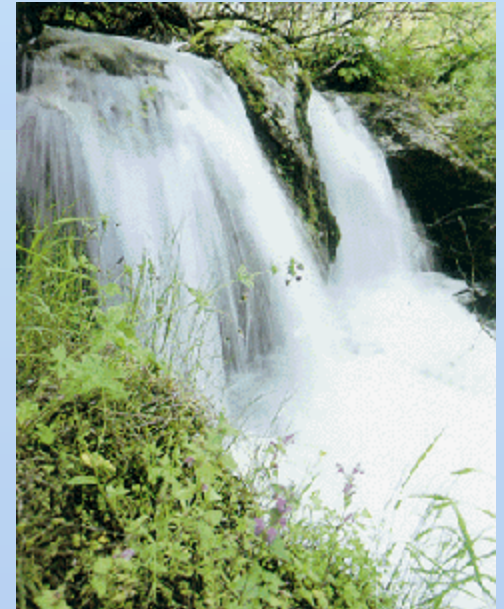

Future Mobile Communications toward Broadband Wireless IP

June 19, 2006

- Continue with recruiting new IEEE members and spreading the IEEE policy

Thank you for your attention
