2016 Accomplishments

- More than 4 technical activities
 - All reports (L31) made on time
 - Some activities transmitted by Webex
-

Problems Encountered

- Low participation (low amount of attendants to lectures and conferences)
 - Long delay in receiving funds from ComSoc (were received in October). IEEE Chile Section should difficulties supporting.
-

Problems Solutions Plans

- Move DLTs to 3&4Q17 to have time for funds clearance
-

Next Year Work

- 2 DLTs in second 3&4Q17
-
