# 2016 Accomplishments

---

- Collaboration with the students of the Universidad Marista and CINVESTAV.
  - Presence in local events related with the Communications and electronic fields.
  - Collaboration with the Guadalajara Section
-

# Problems Encountered

---

- Organization of the DLT
    - ◆ Availability of the DL 's
    - ◆ Coordination of the Chapters.
-

- Plan 1

- ◆ Suggest:

- Designate a LA DLT Coordinator to support to LA Director
  - During LA RCCC 2016 to define the LA DLT plan 2017
-

- Plan 1
    - ◆ Organize two DLT 2017: one during the first semester and another one during second semester.
    - ◆ Increase the technical lectures
  
  - Plan 2
    - ◆ Continue participating at the main events in the city
    - ◆ To encourage to the student branches
    - ◆ Continue collaborating with the Guadalajara Section
-
