IEEE ComSoc Latin America Region
Regional Chapter Chair Congress 2016
Medellin, Colombia

Prof. Patrick Hosein

JCCS Committee Member

patrick.hosein @sta.uwi.edu

Work Done

- 2016
  - Application Security Prelude
  - TTLAB Research Seminar
- 2015

  - Programming the Raspberry Pi
  - Introduction to Cloud Concepts and Services
  - Introduction to Web Analytics
  - An Introductory course to Android and Object Oriented Programming for GIS Applications

  - Programming in Python: An Introductory Short Course

  - Cyber Security in Trinidad & Tobago: Part Deux Technical
  - Cyber Security in Trinidad & Tobago

2016 Accomplishments

- Increased the basic knowledge of cyber security through the Application Security Prelude Event - **Partnership with Open Web Application Security Project**
- Helped encourage and promote research via the TTLAB Research Preview Seminar - **Partnership with TTLAB**

Problems Encountered

- Lack of speakers in various topics of interest.
- Speaker cancellations

Problems Solutions Plans

- Find more speakers/volunteers locally and internationally with zero cost.

Next Year Work

- Host a minimum of 4 events in following areas:
    1. Network Function Virtualization (NFV) and Software Defined Networks (SDN)
    2. Military Communications
    3. Communication technologies and IOT
    4. TTLAB Research Seminar 2017
    5. Other Collaborations with Computer Society and other societies.
