Work Done

Digital TV Transition at Universidad Don Bosco

UCA/UDB Visited FM radios

Work Done

Low-Cost Software Defined Radio presentation at UCA

Cybersecurity
at UCA

A student chapter was founded at Universidad Centroamericana Jose Simeón Cañas (UCA)

Problems Encountered

Not been able to form another student chapter at Universidad de El Salvador. Students do not see a point beyond IEEE membership.

Poor professional membership

Problems Solutions Plans

To find incentives for the creation of new students chapters.

Increase professional activities like talks and seminars.

Next Year Work

- Plan 1
  - At least a new student chapter
- Plan 2
  - Increase membership
